

The Pig

A Personality Profile Quiz

"Who Am I?"

Directions:

Give each person a blank sheet of paper.
Instruct them to draw a pig.
Give no other explanation. 😊

Purpose:

Participants get to know themselves in a fun way 😊

When everyone has drawn their pig then interpret the pigs in a creative way:

1. If the pig is drawn on the top portion of the page, the person is an optimist and very positive.
2. If the pig is drawn in the middle of the page, the person is realistic and factual.
3. If the pig is drawn on the bottom of the page, the person is a pessimist or tends to have a negative outlook.
4. If the pig is facing left, the person is traditional, friendly, and remembers birthdays and dates.
5. If the pig is facing straight ahead, the person is direct, likes to play the devil's advocate and doesn't avoid issues.
6. If the pig is facing right, the person is innovative, action-oriented, not family or date oriented.
7. If the pig is very detailed, the person is analytical, cautious, and suspicious.
8. If the pig has a little detail, the person is emotional, bored by details, naïve, and a risk-taker.
9. If the pig has four feet, the person is secure, stubborn and has firm beliefs.
10. If the pig has less than four feet, the person is insecure or going through major changes in life.
11. The larger the pig's ears, the better a listener the person is.
12. The longer the pig's tail the better the person's romantic life is.
