About the Cause

Due to the generous donations of our community, members, and local businesses, we are able to offer almost every event for Currahee Military Weekend for free to the public with no registration required! Sponsor below to help support our mission of offering these events to military families, veterans, active duty service members, and the general public at no cost.

Any additional fundraising efforts for this weekend will support the Currahee Military Museum in their mission to preserve the history of the brave men who trained at Camp Toccoa, the legacy of extraordinary military leaders, and the legacy of Stephens County. The museum is excited to undertake modernization projects that will help our patrons understand that history through visually engaging, multi-media exhibits as well as documentary-style videos. The museum is seeking sponsors for the Stephens County Oral History Project, multi-media and interactive exhibits, as well as additional history exhibits that highlight the Korean War and Vietnam War. The Currahee Military Museum is proud to support our local veterans and the history of our community.
