

April 6, 2026

Almost time for the National Presidents Visit. Here's some information and the dress code for the visit.

President Lois Callahan will arrive on April 15, 2026. We are taking her to dinner at Iguanas, which is a block from our hotel. We will gather to do a craft, more on that later. Dress is casual.

April 16, 2026 we will gather by 9:45am in front of the hotel (St. Simons Inn at the Lighthouse, 609 Beach View Drive) to go to start the tours. We will start at the lighthouse which is directly across the street. Our group is large, and they will split us up with one group starting at the lighthouse and the other starting at the WWII Homefront museum which is a block or so away. If you have President Lois's shirt or President Stanleys shirt wear that otherwise dress is casual.

Our banquet will start at 5:30 at Ziggys (210 Retreat Village) dress is dressy casual.

Remember the tours are \$18 for both tours, and the banquet is \$25 per person. For the banquet, please bring cash.
